

Quito Road Project Update

This is to provide an update to the City of San José's street improvement project on Quito Road between Saratoga Avenue and Bucknall Road. In addition to the street improvements, median island landscaping will be added to the project scope. As you can see from the artist rendering below landscaping will be installed in the existing median island on Quito Road between Saratoga Avenue and Northlawn Drive.

The project is currently scheduled to begin construction in October 2005 and will be completed in June 2006. For more information on this project please contact Wendy Chan at (408) 277-3737.
